

We would like to welcome the newest member of our pro staff team: Captain Vinny Catalano from Brooklyn, NY. Capt. Vinny remembers he's always had a strong passion for fishing beginning at a young age. In 2004, after many sleepless nights and countless hours on the water from the boat and beach, he decided to turn his passion into a career and hasn't looked back since. Capt. Vinny states "When I put clients on big fish with a fly rod or light tackle, I get just as much satisfaction from the action as they do-sometimes more. It is very rewarding and I love it." Capt. Vinny specializes in sight fishing for stripers on the flats and has chased pelagics up and down Long Island's North Shore all the way out to Montauk. He's also guided in "The Sport Fishing Capital of the World", Islamorada, FL as well as the rest of the Keys, and on the main stem of the Delaware River. Capt. Vinny is also an expert navigator and fly tyer and can add distance

to anyone's cast with just a few lessons. His vast fishing knowledge and experience matched to his easy going no ego attitude makes him a tremendous asset here. We are glad to have him- please stop in, say Hi, and make him feel welcome. Once you meet him, you'll be hooked on his knowledge and personality.
