

Campsite Range Day

July 11, 2009

10:00AM - 4:00PM

Did you ever want to learn to shoot a rifle but didn't know where to begin?

Do you want to learn how to safely operate a rifle in a controlled, non-threatening environment?

Here's your chance! The Camp-Site Sport Shop of Huntington Station is hosting a range day! Meet us out at the Brookhaven Shooting Range on Saturday July 11th and learn to safely operate a variety of rifles. Hunting rifles, tactical rifles, and AR15s will be available for firing. You buy the ammo and we supply the firearms! Satisfy your curiosity and learn from the pros.

Our goal is to introduce new shooters to the shooting sports in a safe, controlled, and non-intimidating environment. Let them get a supervised, hands-on start to shooting. We'll be at the range from 10:00AM – 4:00PM. Meet us there! For further information please email us at rangeday@campsitesportshop.com.
